

# Recommended University District Restaurants

*Updated 4/2008*

There are two main clusters of restaurants close to the UW campus- - one to the west of campus along or near University Way (known locally as "The Ave"), a 10-15 minute walk; -- the other to the northeast in the University Village (an open air shopping mall), a 15-20 minute walk.

Restaurants on The Ave cater to students, while University Village has a slightly more upscale atmosphere. The food quality, however, is not much different. You should expect to spend \$12 (including tax and gratuity) on lunch in University Village, and perhaps a couple of dollars less on The Ave. See below for lunch dinner recommendations.

## **ON "THE AVE" (University Way NE)**

*(The Ave starts at 4000 University Way and goes to 5500 University Way...the lower the number, the closer to the UW.)*
